1. Interpretation

- 1.1 These Conditions apply to all contracts with customers of ASD for the supply of all goods (including any replacement goods) by ASD ("**Goods**") and the provision of services by ASD ("**Services**") to the exclusion of any other terms that the customer seeks to impose or incorporate or which are implied by trade, custom, practice or in the course of dealing.
- 1.2 Any goods, materials or products provided by you to ASD for the Services to be applied to or carried out on, shall be referred to as "**Customer Products**". Customer Products shall constitute Goods when the Services have been carried out on them and they have been delivered to you.
- 1.3 In these Conditions the definitions detailed in clause 15 shall apply and
 - a) a **person** includes a natural person, corporate or unincorporated body (whether or not having separate legal personality);
 - b) a reference to a party includes its personal representatives, successors or permitted assigns;
 - c) a reference to a statute or statutory provision is a reference to such statute or statutory provision as amended or re-enacted. A reference to a statute or statutory provision includes any subordinate legislation made under that statute or statutory provision, as amended or re-enacted; and
 - d) any phrase introduced by the terms **including, include, in particular** or any similar expression, shall be construed as illustrative and shall not limit the sense of the words preceding those terms.
- 1.4 In these Conditions **YOUR ATTENTION IS PARTICULARLY DRAWN TO THE PROVISIONS OF CLAUSES 4, 10 AND 13**

2. Basis of Contract

Orders for Goods and/or Services placed with ASD may be placed in writing, by telephone or by email, but in all cases will be subject to ASD's written acceptance. The contract between you and ASD will become legally binding only when ASD has notified you in writing of its acceptance of your order. Accepted orders will be deemed to incorporate these Conditions and thereby form the "**Contract**".

- 2.1 The Contract overrides any other previous statements, promises, representations and undertakings given or made by ASD in relation to the subject matter of the Contract which are not set out in the Contract including brochures, specifications and advertising and the Contract excludes all such items and all other terms not set out in the Contract, including those implied by trade and/or custom and practice (and you acknowledge, in respect of each of the foregoing, that you have not relied on the same).
- 2.2 Quotations provided by ASD (whether written or oral) do not constitute offers and are subject to withdrawal without notice and shall automatically lapse 30 days after the date of the quotation unless otherwise agreed by ASD in writing.
- 2.3 ASD reserves the right to make changes to the Goods and/or Services necessary to comply with applicable law or safety requirements, or which do not materially affect the nature or quality of the Goods and/or Services.
- 2.4 In the event of any conflict or inconsistency between the terms of an order which is accepted by ASD including any terms marked by ASD as "**Special Conditions**" and these Conditions, the order which is accepted by ASD including any Special Conditions shall prevail, to the extent of the conflict or inconsistency only.

3. Price

- 3.1 Unless otherwise itemised on the order acceptance (in which case delivery shall be payable as itemised), the price quoted includes delivery. VAT will be charged in addition at the rate applying at the time of delivery of the Goods and/or performance of the Services.
- 3.2 The price excludes all other taxes which may be applicable and you shall pay any such tax in addition to the price. If you are required under any applicable law to withhold or deduct any amounts from the payments due to ASD, you shall increase the sum you pay to ASD by the amount necessary to leave ASD with an amount equal to the sum it would have received if no such withholdings or deductions had been made.

4. Specifications

- 4.1 Where ASD supplies Goods or Services in accordance with your specifications, drawings, instructions or design outputs ("**Specification**"), you shall ensure that the Specification is in writing, is accurate and is provided in good time in order for ASD to fulfil your order. You shall ensure that any Customer Products are suitable for the receipt of such Services in accordance with the Specification and that the Specification is fit for the purpose for which you intend to use the supplied Goods or Customer Products.
- 4.2 Without prejudice to your obligations and liability under clause 4.1, where ASD provides any design services or gives you access to Software for the purpose of generating your own design outputs in relation to the Goods or Services you must check and confirm that your instructions have been interpreted correctly and, in such instances, ASD may request that you sign and return a copy of the Specification to confirm that you have ensured that the agreed design meets your Specification. You acknowledge and agree that no further Services will be provided and no Goods delivered in accordance with your order until ASD has received the returned signed copy of the Specification. ASD shall have no liability for errors in any Specification or details supplied and/ or approved by you.
- 4.3 Unless the Contract specifies otherwise ASD shall be entitled to select the basis on which it charges you for Goods. Goods are normally sold by the number of items (quantity) or by a notional weight (calculated excluding pallets and packaging and using densities and dimensions that take into account manufacturing tolerances of +/- 10%) as follows:

- a) when sold by quantity the price and ASD's charges shall reflect the actual quantity of each type of Good delivered with an additional charge based on ASD's standard rates from time to time for pallets and packaging. Unless otherwise agreed in writing any length, depth or width specification of any type of Goods sold by quantity may vary by +/- 10% of any quoted dimension. Any variance within these industry standard tolerances shall not entitle you to reject the Goods being delivered (Section 30 of the Sale of Goods Act 1979 shall be dis-applied for the purpose of this clause 4.3(a)); or
- b) when sold by notional weight, unless otherwise agreed in writing, ASD shall have fulfilled its contractual obligation to you if the actual weight of Goods supplied excluding pallets and packaging is within +/- 10% of the notional weight of such Goods specified on ASD's advice note and/or the actual quantities of each component element of the Goods used to calculate that notional weight is within the tolerances as to any of its dimensions outlined at clause 4.3(a). Any variance within these industry standard tolerances shall not entitle you to reject the goods being delivered (section 30 of the Sale of Goods Act 1979 shall be dis-applied for the purpose of this clause 4.3(b)).
- 4.4 The quantity or notional weight of Goods printed on ASD's advice note shall be final unless you give ASD notice in writing of any disparity within 7 days after receiving the Goods and you provide ASD with a reasonable opportunity to verify the quantity or notional weight of the Goods before you use or sell the same as permitted by clause 11.6(l).
- 4.5 If ASD agrees that you may inspect or test the Goods before delivery ASD shall notify you when they are ready for inspection or testing. You shall inspect or test the Goods within 7 days of ASD's notification to you. Any disputes in respect of such inspection or testing shall be notified to ASD within 14 days of such inspection or testing taking place or the Goods shall be deemed to be in accordance with the Specification.

5. CE Markings

- 5.1 Subject to clauses 5.2 and 5.3, ASD will supply CE markings when requested on order placement and any such markings may be subject to an additional charge.
- 5.2 Upon order placement you will be required to indicate if the Goods or Customer Products to which your order relates are intended for use and/or sale for use in a construction setting and therefore require the application of applicable CE markings and, if applicable, it shall be your responsibility to confirm the relevant execution class for which a CE mark is required. ASD shall only apply CE markings to any Goods and/or Customer Products if indicated as being required by you and in the execution class you have confirmed as applicable and ASD shall have no responsibility for advising you or determining on your behalf whether a CE mark is required and, if so, which execution class is applicable. Nor shall the application of a CE marking by ASD at your request and/or based on the information provided by you indicate or imply any liability on the part of ASD for determining that such CE marking is accurately applied or correctly reflects the purpose for which you intend to use the supplied Goods or Customer Products.
- 5.3 If your order is silent on the issue of CE marking and if no relevant process is being applied to the Goods and/or Customer Products by ASD, ASD shall transfer to you the benefit of any certification given by the original producer or supplier of the Goods to the extent relevant.

6. Intellectual Property Rights

- 6.1 The Intellectual Property Rights in any materials, Software and/or equipment, in whatever form, existing prior to the entering into of a Contract, or developed solely by one party entirely independently and unrelated to the Contract, shall be owned by the developing party.
- 6.2 The Intellectual Property Rights in any materials, Software and/or equipment, including drawings, designs, specifications or data, developed or produced by ASD in pursuance of a Contract shall remain vested in ASD unless specifically agreed otherwise in writing at the time of entering into the Contract.

- 7.1 ASD may suspend or cancel the Contract or any part of it, by written notice if:
 - a) you fail to pay ASD any money when due (under the Contract or otherwise);
 - b) you suffer an Insolvency Event.
- 7.2 Subject to clause 9.2, you may only cancel the Contract or any part thereof if ASD agrees in writing and, in such circumstances, you shall pay to ASD the sums due for costs incurred up to cancellation, including:
 - a) any material, processing and manufacturing costs;
 - b) the price of specialist/customer specific goods and/or Services;
 - c) costs of failed delivery attempts; and
 - d) any other costs related to the Contract which ASD has incurred which are notified by ASD to you.

8. Return of Goods

 - a) if ASD has expressly agreed to do so in writing
 - b) if the Goods are a standard stock item when you request the return;
 - c) on payment of an agreed handling charge; and
 - d) in all cases, where the Goods are as fit for sale on their return as they were on delivery.

- 9.1 ASD shall use its reasonable endeavours to meet any performance dates and times specified in the Contract but any such dates and times including all delivery times are estimates only and time shall not be of the essence for delivery of Goods and/or performance of the Services.
- 9.2 If ASD fails to deliver the Goods and/or Services within a reasonable time, you may (by giving ASD written notice in accordance with clause 14.10) cancel the Contract, however:
 - a) you may not cancel the Contract if ASD receives your notice after the Goods have been dispatched or the Services scheduled for performance; and

- b) if you do cancel the Contract, your exclusive remedy shall be to claim back any sums already paid to ASD for the Goods and/or Services.
- 9.3 If you accept delivery of the Goods or performance of the Services after any estimated delivery or performance time given by ASD, delivery or performance will be deemed to have been in accordance with the Contract.
- 9.4 ASD may, with your prior agreement, deliver the Goods in instalments. Each instalment is treated as a separate contract.
- 9.5 If delivery does not take place because you are at fault or for reasons beyond ASD's control, ASD may store and insure the Goods at your expense. In such circumstances, ASD shall use reasonable endeavours to attempt to deliver the Goods, but ASD has the right to sell them after a period of 14 days has passed since the original delivery attempt. ASD may recover from the proceeds of such sale, such costs of storage and insurance together with ASD's costs of attempting to deliver the Goods together with the unpaid balance of the sale price of those Goods as at the day of failed delivery. In the event that such sale proceeds are insufficient to cover such costs and sale price, ASD may invoice you for the shortfall, and you shall pay to ASD such sums in accordance with clause 10.
- 9.6 If you order Goods or Services with a single delivery date that has been agreed in writing by ASD then you may not change that date (whether by way of delay in the delivery date or a change to instalments or other staggered delivery process) without the prior written agreement of ASD to the change including adjustment to the price to reflect the change in delivery.
- 9.7 Neither ASD nor its carrier is responsible for unloading the Goods at your premises. You are responsible for providing, at your cost, sufficient labour and materials for unloading the Goods at your premises.
- 9.8 If the driver of the delivery vehicle leaves the vehicle at your request while the Goods are being unloaded, ASD shall not be liable whether in contract (including fundamental breach), tort (including negligence), breach of statutory duty or otherwise for any shortages in Goods.
- 9.9 ASD may decline to deliver the Goods if:
- ASD believes, or its carrier believes, that it would be unsafe, unlawful or unreasonably difficult to do so; or
 - the premises, or the access to them, are unsuitable for ASD's or the carrier's delivery vehicle. Any unforeseen additional costs resulting from any requirement of ASD to make repeat or abortive delivery attempts as a result of such delivery issues may be invoiced separately and must be paid for by you in accordance with clause 10.
- 9.10 Delivery will be deemed to have taken place:
- at ASD's premises when you collect the Goods; or
 - at the agreed delivery address, when you have unloaded the Goods (if ASD is arranging carriage).
- 9.11 Any reference to Incoterms in an order (subject always to ASD's written acceptance of the same) or the Contract shall be a reference to that term as defined in the Incoterms 2020 rules. In the event of any conflict between these Terms and Conditions and any specified Incoterm, the Incoterm shall prevail.
- 9.12 If there is a complete failure of delivery, you shall notify ASD in writing within 7 days of receipt of ASD's despatch documents or ASD's invoice, whichever is earlier. You shall be deemed to have taken delivery of the Goods if you do not do so.
- 10. Payment Terms and Application for Credit**
- 10.1 Subject to clause 10.2, you shall pay to ASD the price quoted for the Goods and/or Services (as applicable) in full in accordance with the relevant invoice issued by ASD, in cleared funds in GBP Sterling by the method agreed by the parties, on or before delivery of the Goods and/or performance of the Services (as applicable). If you fail to do so, ASD may decline to deliver the Goods and/or perform the Services.
- 10.2 If you have an approved ASD credit account, you shall pay to ASD the price quoted in GBP Sterling by the method agreed by the parties no later than the end of the month following the month of delivery of Goods/performance of Services (as applicable) unless otherwise agreed in writing by ASD.

- 10.5 By placing an order with ASD or applying for an ASD credit account, you:
- consent to ASD carrying out such credit referencing and other due diligence as it considers appropriate on an ongoing basis; and
 - agree that you shall, on request, provide ASD with any and all information reasonably requested by ASD in relation to your business operations and/or finances in order to ascertain your creditworthiness.
- 10.6 If you fail to pay ASD in full in accordance with clause 10.1 or 10.2 (as applicable):
- ASD may suspend or cancel future deliveries of Goods and/or provision of Services under any contract;
 - ASD may cancel any discount offered to you; and
 - you shall pay ASD interest and compensation calculated in accordance with the Late Payment of Commercial Debts (Interest) Act 1998.
